Headteacher: Mr Sam Nixon

28th September 2012

Dear Parents and Carers,

From Monday 1st October we plan to change the structure of our lunchtimes in school. This is in response to parent survey comments, school council feedback and consultation with the lunchtime staff.

There will be many small changes (for example: table layout, raised expectations of table manners, new rules, different procedures at the start and end of lunch etc) but the biggest change, which I wanted to inform parents of, is that we will now have separate 'sittings' for lunch. This is to allow the children more space when eating and playing. The sittings will be as follows:

12:00 - All of Robins and Swans

12:15 - Children ordering a School Dinner from Kingfishers and Falcons

12:40 - Children with 'packed lunches' from Kingfishers and Falcons

These staggered starts do not mean that children will be moved out before the next start time. We are making these changes to ensure that lunchtime is a calm and pleasant time of the day.

Could I also take this opportunity to highlight that we are currently advertising for a Midday Supervisory Assistant and to ask parents to draw the vacancy to the attention of any individual they feel may be interested in the post.

Kind Regards

Sam Nixon

WE PROMOTE STAFF WELL-BEING
