Dear Parents and Carers

What a lovely end to the school term with the residential trip, Easter bunny lunch and cake sales for local charities. I hope all your children have had a wonderful year so far and are looking forward to the summer term.

The Friends committee is now looking to appoint a new Chair person with effect next term. This change needs to come about next term to enable the fireworks event at the end of the year to go ahead as normal, (this is our biggest fundraising event). I have enjoyed my time as chair and the friends team and yourselves have raised a lot of funds for all our children, which go towards all the extras our children get to enjoy. Without a chair the Friends cannot run so if no-one is able to take on this role we will have to re-evaluate whether the friends continue.

Please contact the office if you would like to know more about the role of chair. Alternatively, I am around at the school at pick up and drop off and will be able to provide information on what the role entails. An AGM will be scheduled within the first Summer half term to transition the role to its new chair.

The Friends is a great opportunity to get involved with the school and raise funds for our children.

Thank you
