Dear Parents/Carers

We are exploring the possibility of a morning club, run by Premier Sports, from September for children in Reception to Year 6.

The club will start every morning from 07:55am until the start of school and will focus on staying active. Activities may include gymnastics, multi-skills and wake and shake activities (brain and physical challenges).

We are keen to keep the cost as low as possible and hope to offer each session at a contribution of £4, or £3 for any of our children who are pupil premium. (If you are unsure whether your child/children is pupil premium, please check with the school office.) This is a maximum figure and is dependent on the numbers attending.

All payments will be due prior to attending the sessions.

As space is at a premium allocations will be restricted and on a first-come, first-served basis.

It would help, in the first instance, if you could tick as appropriate the form below as an indication of interest. Please note that you are not committing yourself to the club at this stage.
