Dear Parent/Carer,

As your children have been in school for a term and half now and have settled well into their routines, we are going to encourage them to come in to school on their own in the mornings. They will be expected to line up (in single file) in their usual class space on the playground, along with the other classes, and parents can say goodbyes outside before the children are collected from the playground and taken to their classroom. This will encourage the children to become more independent in readiness for year one in September. It will also mean that they can begin their first carpet session more promptly in the morning. If parents need to pass on messages, then they can be passed on via Mrs Tomkinson or Mrs Shea in the office. If parents would like to speak directly with me then I am happy for appointments to be arranged at the office or I am always available at the end of the school day.

Thank you for your continued support,

Kind regards,

Mrs Morpew
