Dear Parent/Carer

### Tigers' Spelling Homework

*As a school, we have obtained a license of a spelling program aimed at improving children's spelling knowledge and accuracy. As part of their ongoing practice, the children will be expected to regularly practice their spellings outside of the classroom.*

*It is called The Spelling Shed. It is available online via laptops/PCs at <https://play.spellingshed.com/>*

*Each week, I can set the children's spellings to be completed on the website. By improving their accuracy and speed, the children gain rewards which can be used to improve an avatar. The website remains locked to their spelling words until they have played six games each week. After this, the rest of the website becomes available to them and they are able to access games involving words from each stage of the curriculum.*

*As children play more games, their spelling words will continue to pop up in the games and they will earn in game rewards for additional practice. These can then be spent on improving their avatar.*

*Children all have a username and login. Their username is their first initial followed by an underscore and then their surname, all in lower case. Their password is kenninghall.*

*Each child's log in details are also printed inside their spelling books.*

*For example, if a child was called Joe Bloggs:*

*Username: j\_bloggs*

*Password: kenninghall*

*Each week, please could children play at least six games (I can monitor how many games children are playing on my teacher account). This will be in addition to normal practice in their spelling homework books.*

Kind regards

Mr Canning
