

Kenninghall Primary School  
Special Educational Needs and  
Disabilities Newsletter

Summer Term 2019

Dear Parents/Carers,

This newsletter is to keep you up to date with SEND provision at Kenninghall Primary School and in the local area.

Our school website also has lots of information about in school, local and national SEN news under the SEN tab on the school website.

[www.kenninghallprimaryschool.com](http://www.kenninghallprimaryschool.com)

If you would like to speak to someone about your child's special educational needs, you are always welcome to speak to your child's class teacher, the Headteacher (Mrs Sharon Medler) or myself, the school SENCo (Laura Stimpson). I can be contacted via the school office on 01953 887286 or via email:

## SEND e-newsletter

If you don't already subscribe to Norfolk's SEND e-Newsletter, you can receive it at the Local Offer website:

[www.norfolk.gov.uk/send](http://www.norfolk.gov.uk/send)

The newsletter is full of information about events and services in Norfolk that may be of interest to you and your family.

## Website Focus: [www.justonenorfolk.nhs.uk](http://www.justonenorfolk.nhs.uk)

A screenshot of the Just One Norfolk website. At the top, it features the NHS logo and the text 'Children &amp; Young People's Health Services Norfolk'. Below this is the main heading 'Just One Norfolk.nhs.uk is Live!' in a large, colorful font. The website layout includes a search bar, navigation tabs for 'Childhood Illnesses', 'Staying Safe', 'Child Development &amp; Additional Needs', 'Healthy Lifestyles', 'Emotional Health', and 'Our Services'. A central banner area contains a search box with the text 'Find what you're looking for' and a button 'Search'. To the right of the search box, there are icons for 'online learning for families!' and 'Online learning access code: JON10'. Below the banner, it says 'A new website about Children and Young People's Health Ages 0 -19'. At the bottom, it lists partners: 'baby buddy', 'Norfolk County Council', and 'eahsn'. A small disclaimer at the very bottom states: 'Norfolk Children and Young People's Services is provided by Cambridgeshire Community Services NHS Trust and commissioned by Norfolk County Council'.

A new website was launched in November – a 'go to' online health resource for Norfolk families:

[www.justonenorfolk.nhs.uk](http://www.justonenorfolk.nhs.uk)

There are sections that cover physical and emotional health for all children from babies to 19-year-olds.

Just One Norfolk was created with the help of families and follows on from last year's launch of Just One Number **0300 300 0123**

as a single point of access for help and advice for families.
