Dear Parent/Guardian

We have arranged to take our Year 5 & 6 on a residential activity course to Manor Adventure at Norfolk Lakes Adventure Centre in Lyng from 30th March to 1st April 2020.

It is well known that residential courses organised by schools are becoming increasingly invaluable as part of the National Curriculum. Indeed, the Government has placed on record the beneficial effects on a child's progress that such courses provide. They offer new and exciting challenges and by living with their peers and working together in a team environment, help develop independence, confidence and an ability to recognised strengths and weaknesses in a constructive way.

The value of giving children the opportunity to try out new activities cannot be underestimated. From the physically weak to the strong, from slow to fast learners, everyone learns to respect and value each other's ability and their own.

At Manor Adventure fully trained and qualified instructors, with the support of school staff, provide instruction in a full programme of activities in a safe, controlled and secure environment.

The activities available include: Climbing, Abseiling, Fencing, High Ropes, Orienteering, Raft Building, Overnight Camps, and many more.

The cost of the visit to Manor Adventure is £156 which includes: full board accommodation, all instruction and activities, equipment and safety equipment and achievement certificates. It does not include transport which we estimate will be £20 per child depending on final numbers.

To apply for a place for your child, please return to me a cheque for £50 payable to Kenninghall Primary School, being the initial non-refundable deposit, which must be **before 25th September** in order to secure the booking. Full payment must be made by 31st January 2020.

The school will provide individual Savings Cards for children to pay on a regular basis.
