Start of Year Newsletter

Friday 11th September

Welcome back to all our families. I hope you have had a lovely summer holiday.

It is wonderful to have all the children back in school and I am pleased to report that all are happy and enjoying being back with their friends.

I would like to thank you all for your cooperation with the staggered starts and finishes to the day. I have been really impressed with how sensible everyone has been which has ensured all children are able to arrive and leave school as safely as possible. Please could I remind you that parents and carers dropping off and collecting children need to ensure they are social distancing. At drop off and collection, when you have received your child please move away promptly to avoid pedestrian congestion. Please remember that you are responsible for your child until they have been handed over to the staff member. Thanks for your cooperation.

We have put a lot of systems in place to make sure the school is as safe as possible and would like to congratulate our children for the sensible way they are dealing with the additional handwashing and keeping our bubbles separate.

Clubs

Clubs will look slightly different this year, bubbles will be kept together on one day, we are keen to offer some after school clubs as we know that the children thoroughly enjoy them. You should by now have received a letter, please contact the office if you haven't.

Nut Free School

We have a number of children in school who are allergic to nuts. In order to keep them safe, please ensure you do NOT send your child to school with any nuts or nut related products either for lunch or a break time snack. This includes amongst other items, Nutella, cereal bars which contain nuts and peanut butter. If children are found to have any nut products in school, they will be asked to return them to their lunchboxes.

Many thanks for your cooperation and understanding.
